

BRITWISE™
Transformative IT Talent for K12

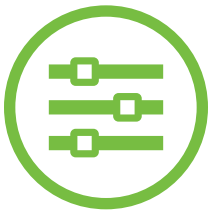

Get Transformative IT Talent That Delivers
Exceptional Value at the Right Price.

THE BRITWISE DIFFERENCE

Industry Leading Talent and Manageable Employee Costs

The BriteWise talent resource pipeline provides your district with high-quality specialized IT talent and delivers exceptional K-12 educational technology staffing **at or below your district's cost to hire.**

Flexibility

With our flexible staffing model, you are in control of your staffing costs - You can easily add or reduce staff to meet the evolving needs of your district. Feel free to ask about temporary and seasonal staffing as well!

Positional Benchmarking for Accurate Pricing

Each position is assigned a target minimum, mid-point and maximum salary range based on up-to-the-minute wage and salary information specific to your locale, based on the job description that you provide. Our customers get the right talent to meet their needs, at the right price to fit their budget.

Transparent Pricing

BriteWise Transparent Pricing is based on a straight percentage mark-up over cost, so you get the high-quality talent that you pay for - EVERY TIME! **You'll never be surprised by one-time fees,** and our positional benchmarking ensures that the talent you pay for is the talent that you receive. Plus, with BriteWise Transparent Pricing, you are free from employee benefit costs like retirement, health care, workers' compensation and more!

Set of Uniquely Qualified Candidates

As candidates are identified, BRITWISE performs the phone screening process, conducts in-person interviews, validates previous job history and performs security background checks. The result is a set of uniquely qualified candidates that possess the technical skills, customer service abilities and personality fit for an education environment.

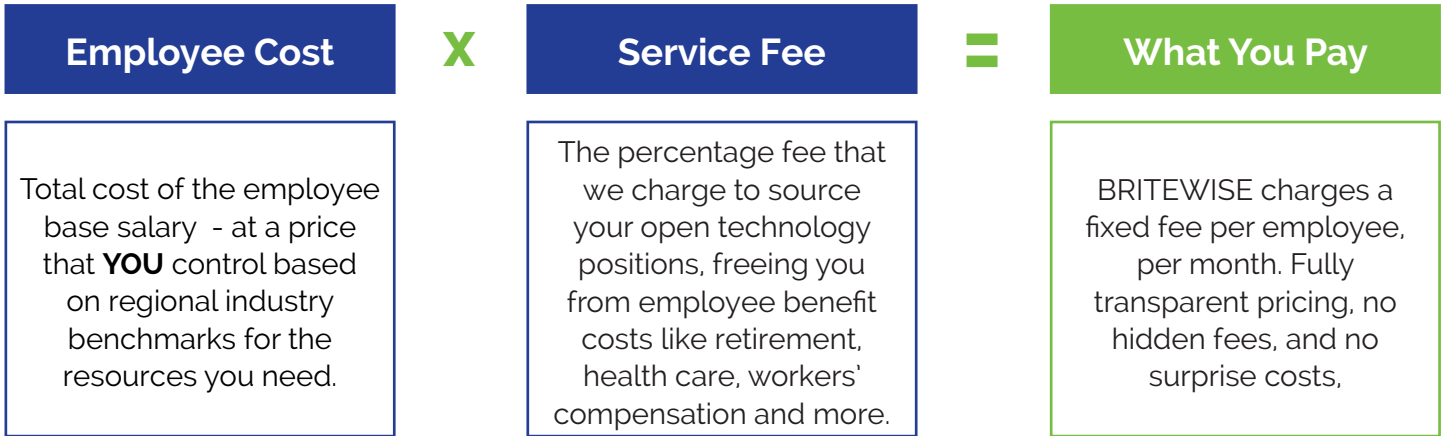

Educational Technology Staffing Is All We Do

The members of our team have over 75 combined years working with school districts as leaders in Educational Technology Management. Our recruitment and on-boarding engines are always running, so we have an unbeatable perspective on district needs and deliver better fitting K-12 technology candidates to our customers.

The Britewise Transparent Pricing Advantage

School districts can save up to 20% on their technology staffing costs with BRITWISE Transparent Pricing! Let us show you how...

When you partner with BRITWISE, your district saves on expensive employee benefit costs, including retirement, healthcare, workers' compensation, and more. Those added savings mean higher quality candidates for you to choose from!

With the BRITWISE Transparent Pricing Advantage, there are no surprise fees or hidden one-time costs. We work with you to determine the positions you need, and you set the salary based on our regional comprehensive positional benchmarks.

BRITWISE offers complete flexibility. When it's time to renew your contract, you can add or reduce staff as needed, and **YOU** control salary increases for your technology staff.

Every BRITWISE hire comes with a 90-day guarantee. Ask us about the ability to test your technology talent before hiring, or about the BRITWISE "Always-On" recruiting engine with BRITWISE 360!

Every candidate comes with all state and federal clearances and is required to pass a comprehensive background check - so you can be sure that you are covered with BRITWISE.

Our three staffing options are designed to deliver the most competent, transformative IT talent for your school, with the price and flexibility to meet your unique needs.
